Yan Kevin ZE

Education

2025 – 2026 (V) **African Institute for Mathematical Sciences** (Rwanda)
MSc in Mathematical Sciences
Advisor & defense date: Prof. Ana G. Lecuona; June 12, 2026.
Project title: On Stallings' Fibration Theorem for Knot Exteriors.

2024 – 2026 (3.49/4) **University of Yaoundé I** (Cameroon)
Master 2 in Fundamental Mathematics. Option: Geometry-Topology.
Advisor & discussion date: Dr. Hilaire Mbiakop Georges; July 27, 2026.
Project title: Cohomology of Homogeneous Spaces: Stiefel and Complex Grassmann Manifolds.

2022 – 2023 (2.80/4) **University of Yaoundé I** (Cameroon)
Master 1 in Fundamental Mathematics. Option: Geometry-Algebra.

2021 – 2022 **University of Yaoundé I** (Cameroon)
Bachelor in Fundamental Mathematics.

Fellowships and Awards

2025 – 2026 **MSc fellowship**, African Institute for Mathematical Sciences (Rwanda)

2026 **Research intern**, MIORPA Research Programme, University of Oxford (U.K., remote) (value: $401)

2023 – 2024 **Award for Academic Excellence** (value: $100)

2015 – 2016, 2017 – 2018 **Best High School Student Award**

Skills

Languages: French (fluent), English (preparing for the IELTS examination).
Programming: Python, R.

Workshops, Conferences and Schools (To Attend)

Jan. 25 – Feb. 5, 2027	CIMPA School: Topological Data Analysis Pakistan
Dec. 1 – 11, 2026	School in PDEs and Randomness AIMS RIC (Rwanda)

Workshops, Conferences and Schools (Attended)

Jul. 20 – 22, 2026	Algebra, Logic, Geometry and Applications University of Yaoundé I (Cameroon)
Sep. 3 – 6, 2024	Méthodes algébro-géométriques pour les systèmes d'information University of Yaoundé I (Cameroon)
Jul. 23 – 27, 2024	Récents Développements sur la Géométrie Riemannienne et de Contact University of Yaoundé I (Cameroon)
Jul. 24 – 28, 2023	Mathematical School Algebra and Geometry University of Yaoundé I (Cameroon)
